 Re: Polling Results

Question										
As you may know, the Conservative Party led by Stephen Harper is a minority government. Based on what you know and have seen about Stephen Harper and the Conservative government's record so far, would you be comfortable, somewhat comfortable, somewhat uncomfortable or uncomfortable with the Stephen Harper-led Conservatives potentially winning the next election and forming a majority government?

Comparison of two SES Research Surveys

Survey One - SES Research national telephone survey of 1,003 Canadians completed between August 18th and August 23rd, 2006.

Survey Two - SES Research national telephone survey of 1,002 Canadians completed between

Both surveys are accurate to within 3.1 percentage points, plus or minus, 19 times out of 20. The margin of accuracy will be wider for sub samples. Percentages may exceed 100 due to rounding. Any questions should be directed to Nik Nanos at (613) 234-4666 ext. 237 or nnanos@sesresearch.com.
